

- Saltram No1 Shiraz 149  
*Barossa Valley, S.A.*  
*Deep purple/red colour and a rich, ripe, toasty licoricey aroma; concentrated and inky. The palate holds masses of spice, licorice and black fruit flavours of great impact and power. Full-bodied, with masses of tannin. A sensational big red of a type the Barossa does so well.*
- Yangarra GSM 50  
*McLaren Vale, S.A.*  
*This GSM is a careful blending of Grenache, Shiraz and Mourvèdre in which the composition varies from year to year, conveying the traditional estate blends of the southern Rhône. The backbone of this wine comes from our old bush vine Grenache planted in 1946.*
- Wolf Blass Grey Label Shiraz, 69  
*McLaren Vale, S.A.*  
*Very deep, dense, dark red/purple colour. The bouquet is super-ripe and almost jammy, with rich, opulent qualities, but the palate is more serious with firm, tight structure and full-body, backed up by abundant dry, savoury tannins. A big, solid wine with liberal but balanced oak and appealingly fleshy palate texture. It's big but already approachable.*
- Rockbarr Coonawarra Cutie Shiraz 2014 85  
*McLaren Vale, S.A.*  
*An attractive, elegant, medium bodied palate displaying sumptuous mulberry, blackcurrant pastille, pomegranate and red currant fruit. An abundance of natural acidity carries right through the palate, providing structural support and balances the ripe fruit. The palate blissfully culminates in a very lingering fashion aided by a horde of supple, velvety tannin leaving behind a smack of cocoa to savour.*
- Leeuwin Estate Art Series Shiraz 2013 120  
*Margaret River, WA*  
*Deep, youthful red/purple colour; the bouquet all about vanilla, chocolate and smooth plum-berry flavours. The texture is glossy and gentle, rounded and balanced, with good length.*
- NV Pol Roger 159  
*Champagne FRANCE*  
*Pop a bottle of Pol and drink like royalty while you're reclining in splendour to take in the grand spectacle tonight! Brut Réserve is quintessential Pol, pristine, clean, balanced, tight, laced with fresh lemon and almond notes and refreshingly restrained*
- NV Mumm, 99  
*Champagne FRANCE*  
*Meringue-like aromas, smooth and fruity, soft and open-knit, with a slight grip and more noticeable sweetness than any of the other Mumm portfolio.*
